Statement of Principles

- Whispering Hope is an outreach ministry of Jesus Christ through His church. Therefore, Whispering Hope, embodied in its staff and volunteers, is committed to presenting the Gospel of our Lord both in word and in deed to women with crisis pregnancies. Commensurate with this purpose, those who labor as Whispering Hope board members, directors and volunteers are expected to know Christ as their Savior and Lord.

- Whispering Hope is committed to providing its clients with accurate and complete information about both prenatal development and abortion. However, Whispering Hope does not recommend, provide, or refer for abortion or abortifacients.

- Whispering Hope is committed to integrity in dealing with clients, earning their trust and providing promised information and services. Whispering Hope denounces any form of deception in its corporate advertising or individual conversations with its clients.

- Whispering Hope is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope and plan constructively for themselves and their babies.

- Whispering Hope does not discriminate in providing services because of race, creed, color, national origin, age or marital status of its clients.

- Whispering Hope offers assistance free of charge at all times apart from small fees for STD testing.

- Whispering Hope is committed to creating awareness within the local community of the needs of pregnant women and the fact that abortion only compounds human need rather than resolving it.

- Whispering Hope does not recommend, provide, or refer single women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastors and physicians.)

- Whispering Hope recognizes the validity of adoption as an alternative to abortion, but is not biased toward adoption when compared to the other life-saving alternatives. Pregnancy centers interacting with independent adoption agencies shall assure that referrals are made in a manner that fully protects the interests of clients and avoids any conflicts of interest. Adoption agencies may only be established under the auspices of centers if they meet strict standards to assure that pregnancy clients shall be served with out any conflicts of interest.

Statement of Faith

- We believe the Bible to be the inspired, only infallible authoritative Word of God.

- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.

- We believe in the deity of our Lord Jesus Christ in his virgin birth, in his sinless life, in his miracles, in his vicarious and atoning death through his shed blood, in his bodily resurrection, in his ascension to the right hand of the Father, and in his personal return in power and glory.

- We believe that for the salvation of the lost and sinful man, regeneration by the Holy Spirit is absolutely essential and

that this salvation is received through faith in Jesus Christ as Savior and Lord and not as a result of good works.

- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.
- We believe in the resurrection of both the saved and the lost: they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.
